

Capital District - United Methodist Men

April 2015 Newsletter

Hello **BROTHERS** of the Capital District,

I hope all is going well for everyone as we enjoy spring and rapidly move toward summer. It is a busy time for us all and coming together can be difficult. The two March meetings held at 3MC and Millbrook UMC were lightly attended but went well and were effective. Lyle Brickhouse, Director of 3MC was able to share both nights about 3MC and his excitement for what is coming together at the facility in His Kingdom. It doesn't take long to connect with Lyle. You owe it to yourself to come to 3MC and meet him or contact him to visit your church or UMM. dlbrickhouse@gmail.com The Rough Cut Men presentation by David Dusek is a good time to come to 3MC and see what's happening.

The CDUMM needs volunteers to help in the Food Court and be greeters, giving directions to the different events in the auditorium. We will have cook teams serving pulled pork sandwiches , Korean beef, shredded beef, and rice and tomas. We also need help with logistics – just moving things as directed. **Contact Wally Mills at wally@stwcorp.com or call my cell 919-868-3338.**
