

Capital District - United Methodist Men

Spring Newsletter

Hello **BROTHERS** of the Capital District,

As the much anticipated warmth of spring approaches, so do many opportunities in the Capital District. I have networked and attended many meetings this fall and winter on your behalf as MEN in our district and conference of the UMC. There are two upcoming open forum meetings – please plan to attend either one to learn what’s happening in the district UMM and at 3MC (Methodist Men’s Ministry Center) in Rosewood (Goldsboro). There are also details below on two upcoming events: the Capital District IMPACT Celebration and our annual Sporting Clays event at Rose Hill Farm.

The CDUMM needs volunteers to help in the Food Court and be greeters, giving directions to the different events in the auditorium. We will have cook team serving pulled pork sandwiches and there are Latino cook teams as well. We also need help with logistics – just moving things as directed. **Contact Wally Mills at wally@stwcorp.com or call my cell 919-868-3338.**
