Capital District – United Methodist Men

Hello Men of the Capital District,

Since the follow up from our Winter Oyster Roast, there have been some changes here and there in the district and conference that relate to the UMM. We have a new slate of officers for the NCCUMM, UMM Ventures, which oversees 3MC, we have to reestablish the structure of the CDUMM officers, and the Disaster Readiness and Response has new contacts.

As you can see, **OUR District really needs some Men to step up to help us.** We want to

continue having good communication within the district MEN. I have things to share from the bishop, district superintendent and the conference/district laymen leadership.

We also need to have the MEN sharing what their fellow brothers need to help them in their struggle to grow closer to Christ – we all struggle every day. **Help me fill these positions and add more positions in our leadership.** We are in Spiritual Warfare: We need disciplined and well-trained troops to go forth carrying the word of God for His glory.
